SUBJECT: EPA and CDH comments on OU12

TO:  J. M. Kerish, Associate General Manager
Environmental and Waste Management
EG&G Rocky Flats, Inc.

Please find attached EPA and CDH comments dated July 29 and August 5, 1992, respectively, on the Draft Phase I RFI/RI Workplan for OU 12. We request that EG&G review the comments and set up a meeting with the regulators to discuss the comments that are either unclear or that we take issue with. If possible, the meeting should be scheduled for the week of August 24, 1992 and should be preceded by an internal meeting between DOE RFO, EG&G and Applied Environmental.

The Final Workplan should be revised per the enclosed comments, the meeting with the regulators to discuss their comments and informal comments from DOE which will be provided by September 1, 1992. Written responses to all EPA and CDH comments should be submitted to DOE/RFO and accompany the Final Phase I RFI/RI Workplan which has an IAG deliverable date of October 5, 1992.

Questions or concerns regarding this memorandum should be directed to Bruce Thatcher of my staff at ext. 3532.

James K. Hartman
Assistant Manager
for Environmental Management
